Status of Reissue Applications

1. Applicants' amendment/response, filed on December 02, 2002, has been carefully considered. Claims 1-16 were allowed in the parent application. New claims 17-28 were previously added. Claim 4 has been amended.

Claims 1-28 are now pending in this application.

Response to Amendment

2. Applicant is notified that any subsequent amendment to the specification and/or claims must comply with 37 CFR 1.173(b).

The amendment filed on December 02, 2002 proposes amendments to claim 4 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

It appears that the amendment to claim 4 is improper. All amendment changes must be made relative to the patent to be reissued. The applicant amended claim 4 based on the previous amendment of claim 4. The changes should be made based on the original claim 4 not the previous amended claim 4.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
